

Who We Are Not

We are not a shelter facility with a location or hired staff. We are not animal control; we have no legal jurisdiction or training to pick up stray animals. We receive no funding from any government agencies. Animal Control is available by calling your local law enforcement agency. In the city of Hartwell, call Hartwell Police Department (706-376-3111) for stray or nuisance dogs or cats. In Hart County call the Hart County Sheriff's Department (706-376-3114) for stray or nuisance dogs. If you have a pet you no longer want or are able to keep, please take it to Northeast GA Animal Shelter, 870 Bear Creek Rd. Lavonia GA. 30553 706-356-5363.

Who We Are

The Hart County Humane Society is an all-volunteer, non-profit, animal rescue organization. We raise awareness to the plight of unwanted and stray animals entering Northeast Georgia Animal Shelter, our community's open intake shelter. We are passionately working every day to end the euthanizing of adoptable shelter pets by providing low cost spay/neuter programs to Hart County residents and by rescuing animals from this shelter that do not get adopted or rescued by other organizations.

We are grateful for the tremendous support and assistance we have received from our local veterinarians and their staffs, please call on them for all your veterinary needs:

Please join our mission to make ours a "No Kill" community; it will take an army of volunteers. Volunteer opportunities include:

Rescue/Foster: The Hart County Humane Society is working with Northeast Georgia Animal Shelter to end the need to euthanize healthy animals due to lack of space or time. We can only save these animals if a foster home or foster buddy is available. Foster families take a shelter dog, cat or kittens into their home and provide love and socialization while our supporters provide for its care.

Foster buddies: share shifts caring for a few shelter dogs kept in a safe kennel building donated by Dr. Robert Mauldin. Though kennel dogs are not in homes they are safe and provided necessary care. These dogs need buddies to walk, feed, clean up and help get them to adoption events.

Fundraising, raising awareness and volunteering: The "All Hart County Humane Society Outreach Center" located at 95 W. Franklin St. is used for adoption, fundraising and awareness events. We are pet partners with Anderson PetSmart, we keep cats in the cat room and take dogs there for adoption opportunities. Fundraising, volunteering and rescuing are crucial to our programs. Please join our army.

Hart County Humane Society offers two spay/neuter programs to Hart County residents. The low income program is based on household income. The low cost program is available to families whose income is too high to qualify for the low income program but still need help fixing their pet. Applications for these programs are available at each of our supporting veterinarian clinics and can be downloaded by visiting harthumane.org.

For families who do not live in Hart County we suggest, SPAY GEORGIA. Veterinarians have agreed to perform routine spay/neuter procedures for Spay Georgia certificate holders. To receive a certificate call 770-662-4479 and leave your name and address. Their website is www.spaygeorgia.org.

Your support helps fund rescue/foster, spay/neuter and awareness programs.

I looked at all the caged animals in the shelter. The cast offs of humane society. I saw in their eyes love and hope, fear and dread, sadness and betrayal. And I was angry. "God" I said, "this is terrible! Why don't you do something?" God was silent for a moment and then he spoke softly "I have done something" he replied, "I created you". - Jim Willis
